Sailing is a safe sport which, however, involves outdoor activity in the elements. Participants should be prepared to be wet, and on occasions, cold and possibly be knocked or bruised. It is your responsibility to state if you have any medical condition which may affect your ability to participate in the course, to comply at all times with the instructions given by instructors and accept the responsibility for any injury, damage or loss to the extent caused by your own negligence. I understand that the club's instructors do not accept any responsibility for any loss, damage or injury to people or property arising out of, or during the course of, the instructors' activities while instructing unless such injury loss or damage was caused by, or resulted from negligence or deliberate act.
