Course information

Club Powerboat Courses (Drivers) are held in March. These are FREE COURSES for any member who needs to drive a safety boat for a duty or at any time. Participants must be over 16.

RYA Powerboat Level 1 and 2 A 2 day course covering the driving of planing powerboats. You learn to manoeuvre the craft at low and high speed. It is an essential requirement if you are considering volunteering to drive a safety boat at junior training or one of the Sailability days.

RYA Safetyboat a course that builds on the Level 1 and 2 and introduces the skills to provide safety and rescue cover.

RYA/Honda Rib Challenge A chance for children to get have a go at learning to drive the powerboats. Please look at the RYA website for details and fill in a form to let the organisers know how many will joining in.
