

Notts County SC Scorpion Open 22/23rd May 2021

NCSC

The Scorpion Open is due to take place on 22/23rd May. The intention is for camping (without facilities) to be allowed, we will expect all competitors to comply with Covid Social distancing and any other rules / guidance from Government and RYA applicable on the date, including RYA mixed household guidance.

We expect toilets and Pauline's takeaway food to be available. It is unlikely changing or shower facilities will be open, unless government rules change substantially. Please also note there is no hook up or chemical disposal on site.

Notts County is between the A1 and M1 around 12 miles east of Nottingham. See website for details www.ncsc.org.uk. The club has an extensive water, a great atmosphere and race team, so weather permitting you can look forward to an enjoyable weekend of racing.

NOR, and more information -
including Pre Entry on the
website www.ncsc.org.uk
