General Recall

Any fleet involved in a general recall will go to the end of the starting sequence. In this instance, the preparatory signal for a new start shall be made three minutes after the preparatory signal for the last race in the sequence.

Entries

Please record all sail numbers of boats racing on a race results sheet (See below). Juniors may sign on and start with the slow handicap fleet if they have insufficient numbers.

During the race

Record times for each boat through the gate on each lap.

Target Race Duration

First finisher (eg Windsurfer or Junior) 30-40 minutes. Slow & Fast handicap 40-50 minutes.

Shortened Course

If boats have not completed the number of laps displayed on the course board, finish the race by two sound signals when the first boat you want to finish is approaching the finish line. If you only wish to finish the Junior fleet, raise the board with letter J displayed. When the Handicap fleets are to be finished, raise the board with letter H displayed.

Thereafter finish every boat in the fleets which crosses the finish line. Give each finishing boat a short hoot on the horn.

Record the number of laps and the finishing time of each boat.

Time Limit

The finish line will be open for a maximum of 30 minutes after the first finisher. Boats not finishing within 30 minutes will be scored DNF.

Results

Amendments to entries and raw result sheets showing recorded times against sail numbers should be photographed and sent by email to the Results Sec at results@ncsc.org.uk. The Race officer should retain the original results sheet or file them if the Race Office is open. The Results Sec will calculate and publish the race results.
